Since its launch in 2017, SVCE has exceeded the renewable portfolio standard requirements of Senate Bill 100 and the 100% clean energy act of 2008 by offering at least 50% of its power from renewable sources and the remainder from carbon-free sources. The Holiday Posada is Saturday, December 18, 2021, and everyone is invited to attend.

She attended the Christmas Party for Sister Cities. They are hoping to do a Turkey trip next year.

CITY MANAGER'S REPORT

City Manager Christina Turner turned the presentation over to the Youth Action Council to present Developmental Asset #40 - Positive View of Personal Future. She concluded with a few date updates. Our next City Council meeting will be on January 19, 2022. One of the main items will be our Monterey Road Lane Reduction and Beautification Project. Our annual City Council Goal Setting Workshop will be the last weekend in January. A reminder of our City Hall annual furlough closure.
